

Environmental Policy

R.S. Clare, as a manufacturer and supplier of lubricants and surface coatings, is committed throughout its business to respect the environment and to make responsible use of available natural resources through a structured Environmental Management System that satisfies the requirements of ISO14001.

R.S. Clare will pursue the use of processes, practices, materials, or products which avoid, reduce or control pollution.

In particular, it is policy to comply with appropriate legislation and regulations, monitor performance, and strive for continuous improvement in:

- **Reduction and disposal of waste**
- **Efficient use of energy**
- **Marketing environmentally balanced products**
- **Risk reduction to our employees and our neighbours**
