

MARINE

High performance marine grease

Innovating for tomorrow

TECHNICAL DATA SHEET

Quality Standards:
ISO 9001:2015
ISO 14001: 2015
Issue Date—October 2018
Revision—00

CLAREGUARD GRL

A thixotropic, bitumen-free wire rope lubricant with advanced corrosion inhibitor.
NLGI 0.5 (dynamic) or NLGI 1.5 (static)

Applications

A specially formulated wire rope lubricant, designed for complete lubrication and corrosion protection in wet and hostile applications.

Features and Benefits

- Highly water repellent
- Highly adhesive to prevent from being wiped from the surface of the rope
- Non-drip characteristics
- Contains a sophisticated corrosion inhibitor system
- Displays a degree of syneresis, which permits a controlled migration of the corrosion inhibitors to uncoated areas of the rope

Typical Characteristics

Appearance	Visual	Smooth
Colour	Visual	Black
Thickener Type		Inorganic
Temperature Range		Up to 80°C
Drop Point	IP 396	Infusible

Base Oil Characteristics

Flash Point	IP 34	200°C minimum
