Switchblade wear protection kit

*Innovating for tomorrow*

## TECHNICAL DATA SHEET

Quality Standards:

ISO 9001:2015

ISO 14001: 2015

Issue Date— November 2018

Revision—01

## JUMBO LUBER

Easy to fit auto-dispense grease canister. Replacement part of Switchblade Wear Protection Kit.

### Description

An easy to use, continuous grease, self-powered applicator which can be fitted easily direct onto a Portec MC4 or 95lb B/H check rail grease dispensing unit, needing no complicated installation pipes, moving parts or routine maintenance. Will reduce premature wear, screeching and vibration at the wheel/rail interface and can be quickly fitted at any position around the curve in congested rail areas where access is a problem.

### Typical Sizing Characteristics

17cm long x 12cm diameter.

Supplied in boxes of 10.

Grease capacity – 475ml.

### Features and Benefits

- Easy to use
- Very reliable
- No routine maintenance or filling
- Change Jumbo-Lubers safely in minutes
- Excellent savings on man hours
- Intrinsically safe unit
